

LETTER OF RECOMMENDATION FOR GRADUATE ADMISSION TO THE UNIVERSITY OF IOWA
Application to Applied Mathematical and Computational Sciences

NAME OF APPLICANT _____

The signature below constitutes a waiver of the candidate's right to access to this reference; if not signed the reference can be made available to the candidate.

Candidate's signature _____

1. I have known the applicant for _____ years and _____ months.
2. He/she has been: () my advisee, () a student in one of my courses, () a student in more than one course, () a personal friend, () other _____ (please explain).
3. Compared with typical majors in mathematics, I would rank him/her as indicated:

	Below Average	Average	Above Average	Top 10%
Motivation				
Basic ability				
Amount of training				
Personality				
Character				
Capacity for graduate study				
Research potential				
Teaching ability (in English)				

4. Comments: (You may attach a statement or letter if you prefer.)

(Signature)	(Name - please print)	(Title)
(Department)	(Institution)	(City & State)
(Date)	(email address)	(Phone number)
