

## Admission Visitors Parking Guide

The T. Anne Cleary Walkway near the Admission Visitors Center will be under construction through Aug. 10, 2012. Please allow extra time and use caution while traveling around campus during your visit.

### Welcome to The University of Iowa!

Refer to your campus visit itinerary for the location of your first activity or check-in. The instructions here should help you navigate your way to a successful visit. However, if you need further assistance, please call us.

### Getting to Iowa City

For specific directions from your home to campus, we recommend using an online service such as [maps.google.com](http://maps.google.com) or [www.mapquest.com](http://www.mapquest.com). When prompted for the address of your University destination, use the intersection of **North Capitol Street** (the T. Anne Cleary Walkway) and **East Market Street**, Iowa City, IA 52245.

Driving directions to campus are on the back of this handout.

### Check-in locations

Your campus visit itinerary gives the location of your first appointment, where you will check in. Usually, this is at the Admission Visitors Center (C110 Pomerantz Center), but occasionally it could be at the Iowa Memorial Union (IMU) or another campus building.

### Additional help with directions

Hawkeye hospitality is second to none. Iowans are welcoming and willing to help newcomers with directions—just ask. Also, greeters at the Campus Information Center (IMU, first floor) and at the Admission Visitors Center are experts in helping visitors get around campus.

### Special accommodations

If you or any of your guests have a physical disability that requires special assistance, please contact us as soon as possible at 800-553-4692 to discuss accommodations.

### Smoke-free campus

The University of Iowa is a smoke-free campus.

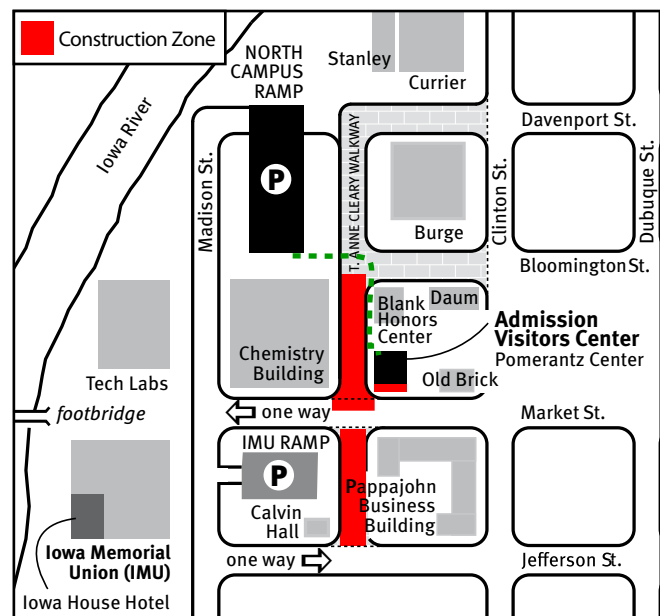

### Where to park

Parking on campus is available for an hourly rate. Through August 10, we recommend parking in the university's **North Campus Parking Ramp** for your campus visit program due to construction on the Cleary Walkway near the IMU Ramp. Exit the North Campus Ramp to the east from the top floor, turn right on the Cleary Walkway, pass the Blank Honors Center, and proceed to the north entrance of the Pomerantz Center. The Admission Visitors Center is in room C110 of the Pomerantz Center.

Also, several city-owned parking ramps (shown on back) are within six blocks of our visit check-in locations:

- Capitol Street Ramp
- Dubuque Street Ramp
- Tower Place Ramp
- Court Street Transportation Center

Avoid parking in passenger loading areas and reserved lots. **If you park in a metered spot, plan to feed the meter continuously throughout your stay or risk multiple parking fines.**

### Cleary Walkway construction project

The Cleary Walkway will be under construction through Aug. 10, 2012, forcing the closure of the south entrance to the Pomerantz Center, which houses the Admission Visitors Center. The north entrance of the Pomerantz Center will be open throughout the construction project.

**From Interstate 80 (north of campus):**

- Take Exit 244 (Dubuque Street) south.
- Turn right at Market Street.
- Turn right at the T-intersection at the bottom of the hill onto Madison Street. The North Campus Ramp will be one block north, on your right.

**From Highway 1, 6, or 218 (south of campus):**

- Follow Highway 6 (also called Riverside Drive) north along the west side of the Iowa River.
- Turn right onto Burlington Street and merge into the left lane.
- Cross the Iowa River and turn left at the first stoplight onto Madison Street.
- Continue north on Madison Street past the third stop.
- The North Campus Ramp will be on your right.

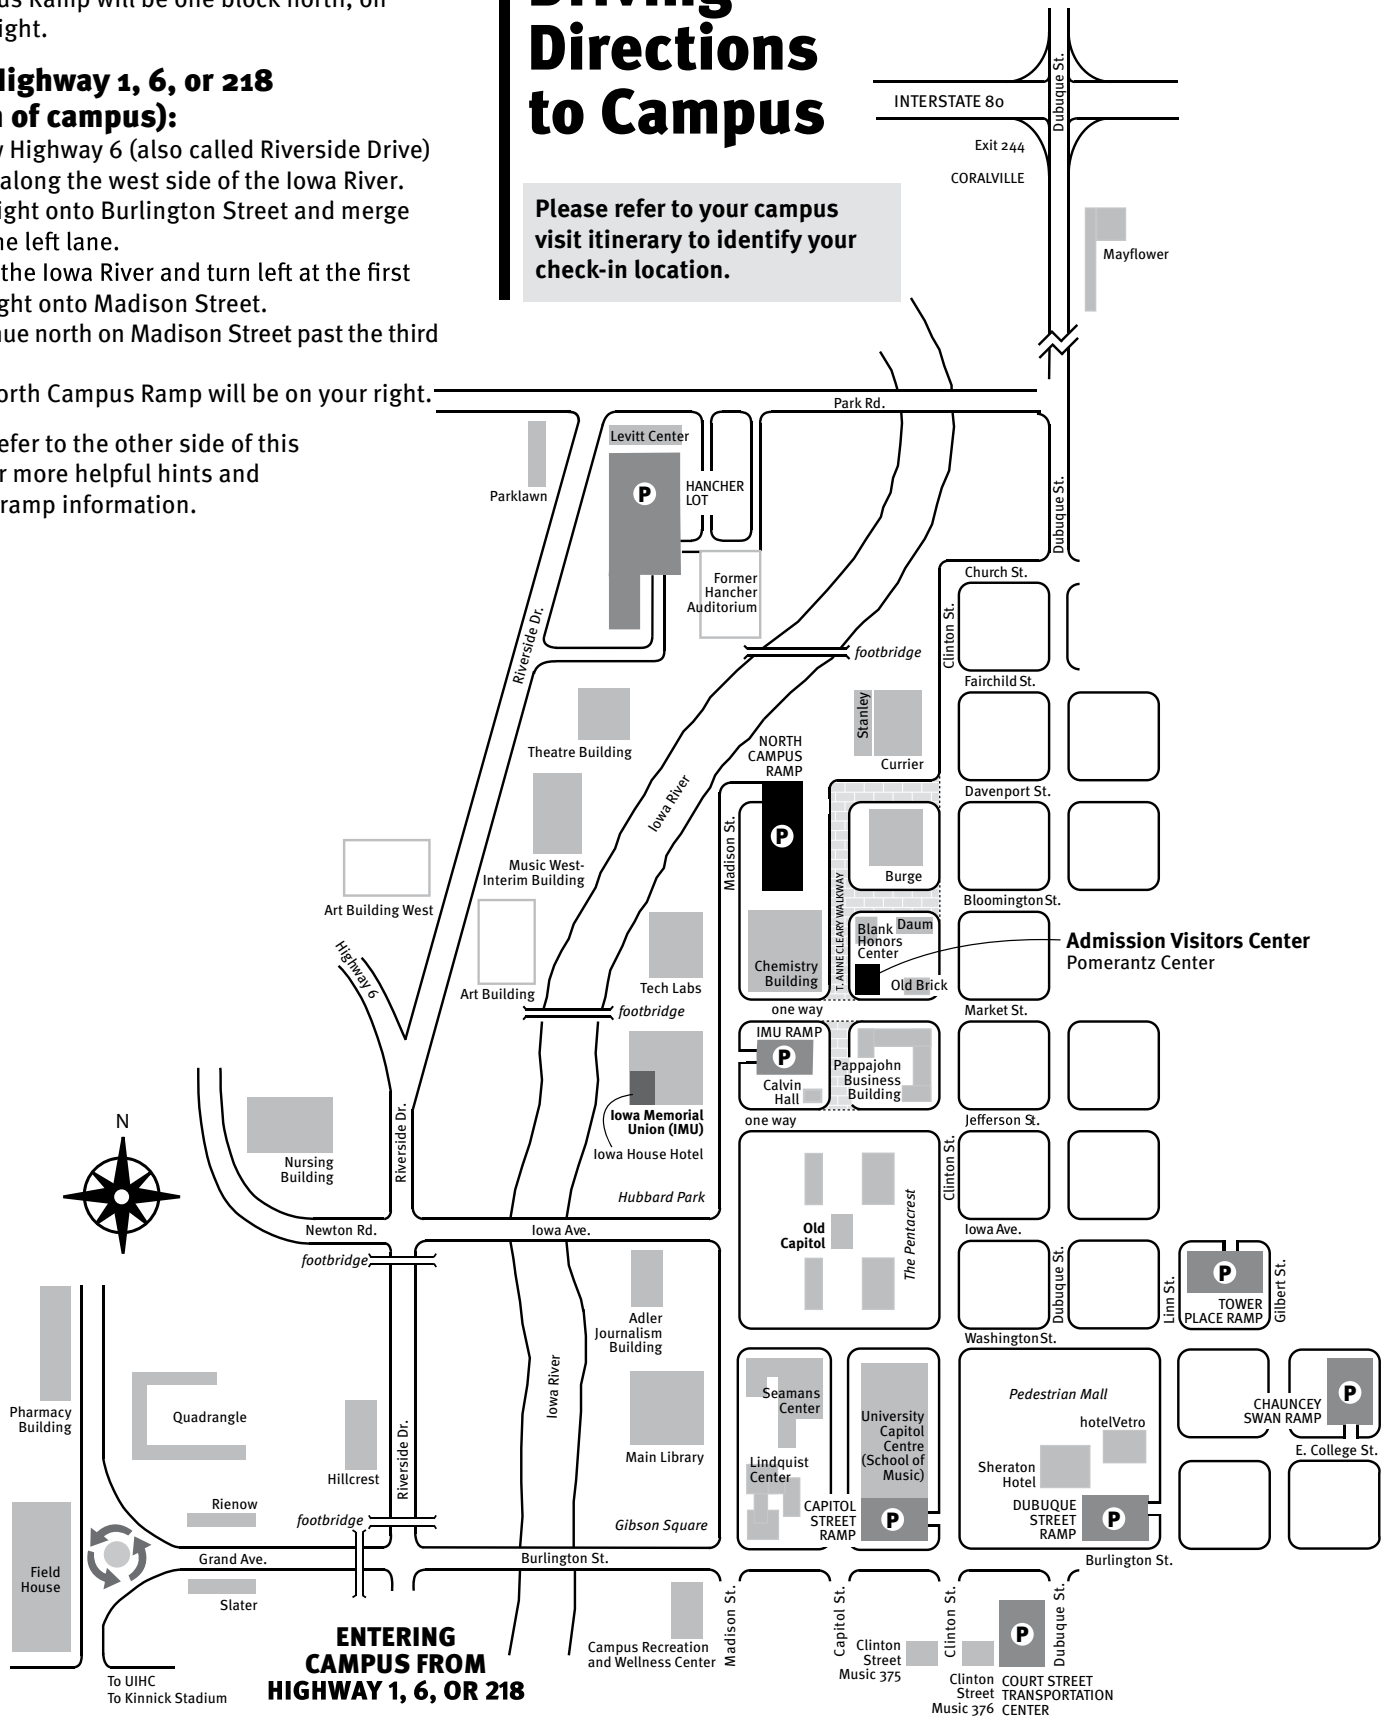

Please refer to the other side of this sheet for more helpful hints and parking ramp information.
