

THE UNIVERSITY OF IOWA

UIGRADCare
Directory of
Providers
and
Facilities

January 2007

UIGRADCare DIRECTORY

HOW TO USE YOUR DIRECTORY

This directory lists providers that participate with Wellmark Health Plan of Iowa, Inc. Note that the word “Plan” in reference to providers means that the provider participates in the Wellmark Health Plan of Iowa, Inc. network. For more specific information regarding your benefits, please refer to your benefits certificate.

The directory is organized into three sections: Care Managers, Facilities, and Allied Health Providers.

CARE MANAGERS

In this section, you will find Care Managers. They are listed according to their specialties. You'll find the Care Managers listed alphabetically according to the area in which they practice.

Choosing a Care Manager

The Students Care Manager is Student Health. Covered dependents may select a Care Manager from our list of family practice physicians, internists, and pediatricians.

If you are new to UIGRADCare, we offer the following suggestions to help you make a smooth transition to your new plan:

- Choose a doctor that will be your primary doctor at Student Health and try to be consistent about seeing the same doctor. This will enable him/her to better handle your healthcare.
- If you are currently receiving care from another specialist, talk with your Care Manager about your health condition and any necessary referrals.
- If you are currently undergoing any specific course of treatment, you should discuss your treatment and on-going care with your new Care Manager. Request that any providers you have seen in the past forward copies of your medical records to your Care Manager so that he/she will have your complete medical profile.

OB/GYNS AS CO-CARE MANAGERS

Female members can select a Co-Care Manager for obstetrical and gynecological services. Anyone who is not sure whether she should select an OB/GYN Co-Care Manager is encouraged to discuss her options with her Care Manager.

CHANGING YOUR CARE MANAGER OR OB/GYN CO-CARE MANAGER

You may change your Care Manager or OB/GYN Co-Care Manager at any time during the year.

SPECIALISTS

All specialists at the UIHC participate with UIGRADCare. **In order to see a specialist and receive the highest level of benefits, you must have a referral from your Care Manager.** If you think you may need to be referred to a specialist, be sure to work with your Care Manager to obtain a referral. In most cases, your Care Manager will want to see you before determining whether a referral to a specialist is appropriate for your situation.

There are some situations in which you may go directly to a Plan provider other than your Care Manager without a referral:

- **Plan obstetricians/gynecologists (OB/GYN).** Female members may go directly to their selected OB/GYN for maternity care and routine or non-routine gynecological services without a referral from their Care Manager, if they choose.
- **Plan ophthalmologists and optometrists** where available for routine vision exams. For services other than routine vision exams, you must have a referral from your Care Manager.
- **Plan mental health network.** Mental health care may be directly accessed by calling the telephone number shown on your identification card.
- **Plan chiropractors** for up to twelve visits. Any additional visits beyond the twelve will require a referral from your Care Manager.
- **Emergency rooms for emergencies.** In the event of a medical emergency or accidental injury that requires immediate medical attention, you may go there directly.

Except in medical emergencies, you should always call your Care Manager. If your Care Manager is not available, he/she will assure that an appropriate provider will be able to help you.

FACILITIES

This section lists the facilities in your area that participate with Wellmark Health Plan of Iowa, Inc.

ALLIED PROVIDERS

This section lists allied providers in your area that participate with UIGRADCare; for example, chiropractors, podiatrists, and optometrists are allied providers.

If you need services from an allied provider not listed in this directory, contact customer service using the number listed on the back of your identification card. A representative will provide you with names of providers in your area.

This directory is subject to change without notice. This is a general description of the coverage. It is not a statement of contract. Actual coverage is subject to terms and conditions specified in the certificate itself and enrollment regulations in force when the certificate becomes effective. Certain exclusions and limitations apply.
