

# WHAT IS A POSTER PRESENTATION?

A poster presentation is an event during which researchers display their work on large, professional-style posters. The researchers stand by their posters as audience members may come and go as they please and walk around the room viewing the researchers' work.

## SO, WE CAN COME ANYTIME BETWEEN 12:30 AND 2:00?

**YES!** Come on in, take a look at the posters, check out our PowerPoint presentation at your leisure, and *we encourage you to pause in front of each poster and ask questions or comment on the information displayed.*
