

**Authorization for the Deduction of Miscellaneous Charges from  
Financial Aid**

**The University Billing Office refunds all financial aid funds in excess of contract charges (tuition & fees, room & board) to the student or parent. If you are entitled to a financial aid refund, and you would like that refund applied to charges on your university billing, please complete this form and return it to the University Billing Office. After all charges have been paid, any remaining funds will be refunded normally.**

I authorize the University of Iowa to apply any excess funds from my financial aid directly to my University bill to cover miscellaneous charges. I understand that normally all excess monies would be refunded directly to me and it is my choice to waive the refund process.

If there is money remaining after paying all of my charges, the excess will be refunded to me.

If your parents have received a PLUS loan, they will need to sign this form as well.
