## UIAC's points of unity

1. We support the immediate and unconditional withdrawal of all occupying forces from Iraq and Afghanistan, including military bases.
2. We support reparations to the Iraqi people for the destruction of their country's infrastructure and for the killing and injuring of Iraqis by US-led occupying forces.
3. We support the right of Iraqi, Afghani, Palestinian, and all people to resist foreign occupation of their lands.
4. We support the efforts of veterans and active duty military personnel to resist participation in the wars against Iraq and Afghanistan, and their efforts to build resistance to these wars within the US military.
5. We oppose the militarization of public education.
6. We support full benefits, adequate healthcare (including mental health), and other supports for returning servicemen and women, regardless of discharge status.
