

Obama Says MORE TROOPS We Say NO MORE

The President has heard from everyone who favors deploying more troops, killing more civilians, and spending more money for a losing war without even a clear idea of what victory would be. **Now he must hear from us.** At 6 pm on the day that he announces the escalation of the war in Afghanistan, meet on the pedestrian mall at the corner of Dubuque and Washington. Tell your friends. **Join us, stand up, speak out for peace.**
