### Course and Self Evaluation

Please fill out this evaluation as honestly as possible. I need your feedback to know whether this course should be given again and, if so, how it should be improved. Please send your answers to Vicki Hudachek ([vicki-hudachek@uiowa.edu](mailto:vicki-hudachek@uiowa.edu)), Program in Biomedical Ethics and Medical Humanities, in 1-106 MEB She will ensure that your answers remain confidential. No information will be provided to Prof. Lawrence until after grades have been submitted.

1. This course increased my knowledge about attitudes towards medicine in American history. \_\_\_\_\_
2. This course improved my skills in seeing and understanding the cultural “messages” in films of different time periods. \_\_\_\_\_
3. I would recommend this course to other students in my college. \_\_\_\_\_
4. The writing assignments helped me to think about the films. \_\_\_\_\_
5. Prof. Lawrence was effective in promoting discussion. \_\_\_\_\_

**This course was deliberately designed on the “honor system” for reading the film notes, completing the course readings and participating in discussion.**

6. I read the film notes in preparation for viewing the movie approximately \_\_\_\_\_% of the time.
7. I completed approximately \_\_\_\_\_% of the reading assignments available on the course website.
8. I participated in approximately \_\_\_\_\_% of the discussions.
9. Please comment on the effectiveness of this “honors” format for learning in an elective course for health science students.
