

07s:193 Teaching Literature to Adolescents Final Portfolio

Having made it this far, I'd like to ask you to turn in your final teaching project along with all the other assignments for this class in a portfolio. This allows us both to see the scope of your work and to reflect upon it. Please put this into a notebook or other method of binding so that it will remain together. Use the following outline in helping you organize it:

- I. Table of Contents
- II. Reading Autobiography
- III. Young Adult Narrative (book chapter)
- IV. Reader's Theater Script
- V. Annotated Bibliography with 1-2 page cover essay
- VI. Final Teaching Project

Following this organization will help me in evaluating your work for the semester. **Turn this in with your final teaching project.**
