Re: Iowa Air Quality Permit # 93-A-540  
Operating Condition Report

Dear Dr. Stenshoel:

Pursuant to permit Condition #11, I hereby certify under penalty of law that the Iowa Lumber Company (ILCO) waferboard facility at Clinton, Iowa, governed by Iowa Air Quality Permit # 93-A-540, experienced the following operating conditions during calendar year 1993:

<b>Tons of Waferboard Produced Per Day</b>	<b>Tons of Waferboard Produced Per Year</b>	<b>Hours of Operation Per Year</b>
188	3,760	480

In accordance with my April 25, 1993, letter to Ms. Leila Forcier of your office, we are not submitting stack test results.

Very truly yours,

*Daniel W. Platt*
