

Cambus Free Poster Submissions

Due to a high volume of poster submissions, Cambus is no longer accepting free posters for this semester.

If you have recently submitted a poster for display and have not been contacted about eligibility, your posters will be displayed on 15 buses as soon as space becomes available. If you wish to submit a poster for Winter Interim or Spring semester, please check back soon for the updated policies. If you have any other questions about free posters, please contact the Administrative Assistant at cambus.assistant@gmail.com.

If you have questions about paid advertising, please contact the Cambus Manager at brian-mcclatchey@uiowa.edu.
