

## ***campus - service notice***

---

# **“Oakdale” Route name change to “UI Research Park”**

---

The University of Iowa Oakdale campus has been renamed the University of Iowa Research Park. In response, the Cambus “Oakdale” route will be renamed “UI Research Park” route.

The buses will continue to display Oakdale on the destinations signs, but will also display a UI Research Park signboard in the front window. In January 2010, these displays will be reversed.

Other than the name, the route will NOT change. Also, passes will still be required to board at stops on Holiday Road and 12<sup>th</sup> Avenue in Coralville.
