

I. I. JNHA N 4, Vol 12, 2008 CONTENTS

1. M.D. Patel and al. (United-Kingdom); *Nutrition: Why Don't Elderly Hospital Inpatients Eat Adequately*. B.L. Callen and al. (USA) ; *Weight Gain in Overweight and Obese Community Dwelling Old-Old*, A.C. Tsai et al. (USA, Taiwan) *Assessing the Prevalence of Malnutrition with the Mini Nutritional Assessment (MNA) in a Nationally Representative Sample of Elderly Taiwanese*,
2. B. Álvarez-Fernández et al. (Spain); *Clinical Neurosciences: Delirium in Hospitalised Older Persons: Review*, A. Chan and al. (USA, Canada) *Dietary and Genetic Compromise in Folate Availability Reduces Acetylcholine, Cognitive Performance and Increases Aggression: Critical Role of S-Adenosyl Methionine*,
3. S. Gauthier (Canada) *Clinical Trials and Aging: Editorial: The PLASA Study*, F. Nourhashémi, et al. (France) *A Randomized Trial of the Impact of a Specific Care Plan in 1120 Alzheimer's Patients (PLASA Study) Over a Two-Year Period: Design and Baseline Data*,
4. F. Formiga, et al. (Spain) *Geriatric Science: Falls in Nonagenarians Living in their Own Homes: The Nonasantfeliu Study*; C. Gaillard and al. (France) *A Practical Approach to Estimate Resting Energy Expenditure in Frail Elderly People*; E. Monfort et al. (France) *Conception of Medical Prescription in the Elderly*; S. Leonardelli et al. (France) *International Publications from the French Geriatric Teams: Evolution in the Course of Last 22 Years*

II – JNHA N 5, VOL 12, 2008 CONTENTS

1. J. Glowacki et al. (USA); *Nutrition: Importance of Vitamin D in Hospital-Based Fracture Care Pathways*, A. Ödlund Ölin et al. (Sweden) *Minimal Effect on Energy Intake by Additional Evening Meal for Frail Elderly Service Flat Residents – A Pilot Study*; A.M. Matteini et al. (USA) *Markers of B-Vitamin Deficiency and Frailty in Older Women*,
2. A. Wong et al. (New Zealand); *Clinical Neurosciences: Evaluation of Strategies to Improve Nutrition in People with Dementia in an Assessment Unit*, L. German et al. (Israel) *Depressive Symptoms and Risk for Malnutrition among Hospitalized Elderly People*,
3. S. Vliek et al. (The Netherlands) *Clinical Trials and Aging: Single Versus Multi component Intervention in Frail Elderly: Simplicity or Complexity as Precondition for Success?*; M. Srinivasan et al. (United-Kingdom) *Nutritional Status After Acute Stroke: Is a Stroke Unit Better than a General Geriatric Ward?*
4. S. Sánchez-Viveros and al. (Mexico, USA) *Geriatric Science: Association between Diabetes Mellitus and Hypertension with Anthropometric Indicators in Older Adults: Results of the Mexican Health Survey, 2000*; Y. Rolland and al. (France) *Frailty, Osteoporosis and Hip Fracture: Causes, Consequences and Therapeutic Perspectives*; T. Pepersack on behalf of the College of Geriatrics and the Belgian Society for Gerontology and Geriatrics (Belgium) *Minimum Geriatric Screening Tools to Detect Common Geriatric Problems*,

III – JNHA N° 6, Vol 12, 2008 contents

1. J.R. Stout et al. (USA); *Nutrition: Effects of Creatine Supplementation on the Onset of Neuromuscular Fatigue Threshold and Muscle Strength in Elderly Men and Women (64 – 86 Years)*, C. Cabrera et al. (Sweden); *Socio-economic Gradient in Food Selection and Diet Quality among 70-year Olds*; E.J. Schiffrin et al. (Switzerland, USA) *Systemic Inflammatory Markers in Older Persons: The Effect of Oral Nutritional Supplementation with Prebiotics*,
2. L. Volicer (USA) *Clinical Neurosciences: Goals of Care in Advanced Dementia: Quality of Life, Dignity and Comfort*; J. Simard (USA) *Silent and Invisible; Nursing Home Residents with Advanced Dementia*; *Dignity and Palliative Care in Dementia*, I. Holmerová et al. (Czech Republic); *Comparing the Ethical Challenges of Forgoing Tube Feeding in American and Hong Kong Patients with Advanced Dementia*, M.C.S. Pang and al. (Hong Kong, USA);
3. J.T. van der Steen, R.L. Kruse and al. (The Netherlands, USA) *Dementia Severity, Decline and Improvement after a Lower Respiratory Tract Infection*,
4. S. Park and al. (USA) *Geriatric Science: Healthy Working Life Expectancies at Age 50 in Europe: A New Indicator*, A. Lièvre and al. (France); *Hearing Loss and Cardiovascular Disease Risk Factors in Older Adults*,
