4. US NATIONAL INSTITUTES FOR HEALTH: NIH SeniorHealth Toolkit for Trainers (November 2007, .pdf format). This site is "a resource developed by the National Institute on Aging. Use these free, easy-to-use training materials to help older adults find reliable, up-to-date online health information on their own. The training features two websites from the National Institutes of Health -- NIHSeniorHealth.gov and MedlinePlus.gov. Trainers can use the toolkit with beginning and intermediate students of the Web." For more information see: <http://nihseniorhealth.gov/toolkit/toolkit.html>
