

THE UNIVERSITY OF IOWA COMPLIANCE PROGRAM GUIDELINES FOR PROSPECTIVE STUDENT-ATHLETES AND THEIR STUDENT HOSTS

The following guidelines have been established to ensure that the hosting of prospective student-athletes is conducted in a manner that is consistent with NCAA and university regulations. It is important that every student-athlete who serves as a host understands that they are official representatives of the Department of Athletics and The University of Iowa.

Therefore, appropriate conduct is expected at all times. The prospective student's official visit to our campus is very important and provides an opportunity for him or her to see what behaviors are expected of University of Iowa student-athletes.

1. It is the responsibility of the University to ensure the safety and well-being of prospective student-athletes when they are visiting our campus. Therefore, it is important that prospective student-athletes and the student hosts avoid any situations or activities that would jeopardize their safety or would be against NCAA, University or local laws, rules and regulations.
2. Prospective student-athletes will have a curfew of 1:00 a.m. unless they are participating in activities supervised or arranged by Iowa coaching staff.
3. All entertainment of the prospective student-athlete should be confined to the University community. It is the student host's responsibility to ensure that the prospective student-athlete is not taken away from the Iowa City, Coralville area.
4. The use of drugs or sex-related or gambling activities as a recruiting device is prohibited.
5. Underage drinking (below 21) is illegal in the State of Iowa. Prospective student-athletes are not allowed to indulge in this activity. It is the student host's responsibility to discourage and report underage drinking by prospective student-athletes.
6. If a prospective student athlete is of legal age (21) and may enter a local bar, it is the student host's responsibility to ensure that the prospective student-athlete is aware that alcohol abuse will NOT be tolerated. If the prospect is not 19 years old, they are prohibited from being in a bar after 10:00 p.m.
7. The University of Iowa will not tolerate sexual harassment by anyone associated with our athletic teams. Student hosts must be aware of this prohibition and work to ensure that the prospects they are hosting conduct themselves appropriately.
8. Prospective student-athletes and student hosts may be provided up to \$30.00 per day for entertainment expenses. It is the host's responsibility to handle the monies involved. At no time may cash be given to a prospective student-athlete.
9. A prospective student-athlete cannot have contact with representatives of the university's athletics interests. It is the responsibility of the student host to ensure that such contact does not take place when entertaining prospective student-athletes.

These guidelines have been established in order to ensure that each prospective student-athlete's visit to our campus is a quality one. Your compliance with these guidelines is absolutely necessary and greatly appreciated. Incidents which are contrary to these guidelines may result in a decision by the University to decline to admit or grant financial aid to a prospective student-athlete and result in penalties to student-athletes up to and including dismissal from the team.
