

Faculty Senate Elections Committee 2006-2007 Report

Membership:

Professor Jeff Cox, History
Professor Clai Dungy, Pediatrics, Chair
Professor Richard LeBlond, Internal Medicine
Professor Steve McGuire, Curriculum and Instruction
Associate Professor Linda Snetslaar, Epidemiology
Professor Katherine Tachau, History
Professor Tuong Ton-That, Mathematics

Charge:

The Committee on Elections, consisting of seven members with staggered three year terms, presents to the first Senate meeting of the spring semester a list of faculty members eligible to vote, a list of Senate positions to be filled, and a list of persons eligible for each position. At the same time the Committee determines the number of positions to be provided on the Council for each represented college. The Committee supervises all elections and decides tie votes by lot. The Committee also presents, at the regular April meeting of the Senate, at least two nominations for the offices of vice president and secretary of the Senate, and, if the current year's vice president is unable to succeed to the presidency as specified in the constitution, then also for the position of president of the Senate. Nominations are to be made from the membership of the Senate. The Committee solicits suggestions from the members of the Senate for its consideration in preparing the slate of candidates. It seeks short autobiographical sketches from the nominees and distributes copies of these to the members of the Senate before the meeting in April.

Report:

In spring 2006 the committee supervised the Senate and Council elections, a task made much smoother thanks to the expert help of the Senate Program Assistant and secretary, Evelyn Van Allen-Shalash. As part of its assigned duties, the committee also oversaw the appointment of senators to replace members who resigned during the year. The list of nominated and elected senate and council members is attached.
