

Dr. John Lipinski

Education

- Ph.D. University of Iowa, Psychology, 2006
M.S. University of Arizona, Human Development, 1999
B.A. University of Notre Dame, Psychology, English, 1995

Professional Positions

- 2007- Post-doctoral Fellow, Institut für Neuroinformatik, Ruhr-Universität-Bochum
2003-2006 Research Assistant, Spatial Planning and Memory Laboratory
2003-2006 Research Assistant, Cognition and Action Laboratory
2000-2003 Research Assistant, Language and Memory Laboratory

Selected Honors and Awards

- National Institute of Mental Health, NRSA Predoctoral Fellowship, 2005- 2006
University of Iowa, Presidential Fellowship, 2000-2005

Selected Refereed Publications

- Lipinski, J. & Gupta, P. (2005) Does neighborhood density influence repetition latency for nonwords? Separating the effects of density and duration. Journal of Memory and Language, 52,171-192.
- Gupta, P., Lipinski, J., Abbs, B., & Lin, P.-H.(2005). Serial position effects in nonword repetition. Journal of Memory and Language, 53,141-162.
- Gupta, P., Lipinski, J., & Aktunc, E. (2005). Re-Examining the Phonological Similarity Effect in Immediate Serial Recall: The Roles of Type of Similarity, Category Cueing, and Item Recall. Memory and Cognition., 33, 1001-1016.

Book Chapters

- Spencer, J.P., Lipinski, J., & Samuelson, L.K. (in press). It's in the eye of the beholder: Spatial language and spatial memory use the same perceptual reference frames. To appear in L. Smith, M. Gasser, & K. Mix (eds) The spatial foundations of language. Oxford University Press.

Refereed Published Conference Proceedings

- Lipinski, J., Spencer, J.P., & Samuelson, L.K. (2006). SPAM-Ling: A dynamical model of spatial working memory and spatial language. In R. Sun and N. Miyake (Eds.), Proceedings of the Twenty-Eighth Annual Conference of the Cognitive Science Society (pp. 489-494). Lawrence Erlbaum Associates.
- Lipinski, J., Spencer, J.P., & Samuelson, L.K. (2004). Integrating spatial language and spatial memory: A dynamical systems approach. In D. Gentner & Terry Regier (Eds.), Proceedings of the Twenty-Sixth Annual Conference of the Cognitive Science Society (pp. 831-836). Lawrence Erlbaum Associates.
