**Payment Terms:** All payments must be remitted in U.S. dollars, drawn on a U.S. bank, payable to the *Division of Drug Information Service*. While payment with orders is strongly preferred, orders will be invoiced with “NET 30” payment terms. Bank wire transfers are allowed; please contact us directly for details. Banking and reimbursing charges are the responsibility of the licensee. Every attempt will be made to comply with special terms and conditions that licensee may have.

**Shipping Arrangements:** United States: Shipments are normally sent via United Parcel Service (UPS) but may be sent via First Class or Priority Mail. International: Shipments are sent via DHL Worldmail, Air Parcel Post, or AO Airmail, and are stamped “Medical Information for Educational Purposes”. These shipments are sent “Freight or Carriage and Insurance Paid” (CIP) to the customs point closest to the subscriber. Division of Drug Information Service retains the option to contract a forwarder agent. Licensee is responsible for all customs duties, as well as any other duties and taxes payable at the time of, or by reason of the importation. Special shipping requests may require additional fees.
