

***IDIS*/Web Tip**

Immunization

Articles related to both active and passive immunization are included in the database.

Active immunization:

A *Thesaurus* search conducted with the term “*active immunization*” leads to the defined disease term “*INOCULATION AND VACCINATION 99.3*”

A search combining “*INOCULATION AND VACCINATION 99.3*” and a defined disease term for a specific infection and the Boolean operator “*and*” in the *Disease* field retrieves articles related to immuno-preventive therapy for a specific infection,

Example: *Disease* field: “*INOCULATION AND VACCINATION 99.3*” and “*HEPATITIS, VIRAL B 070.2*”

Passive Immunization:

A *Thesaurus* search conducted with the term “*passive immunization*” leads to the defined disease term “*PROPHYLAXIS, IMMUNOTHERAPY V07.2*”

A search combining “*PROPHYLAXIS, IMMUNOTHERAPY V07.2*” and a defined disease term for a specific infection and the Boolean operator “*and*” in the *Disease* field retrieves articles related to passive immunization therapy for a specific infection,

Example: *Disease* field: “*PROPHYLAXIS, IMMUNOTHERAPY V07.2*” and “*HEPATITIS, VIRAL B 070.2*”
