

# HawkEye Photographer of the Year

## Contest Guidelines:

- To enter this IHSPA contest, photographers must have their work published in a newspaper, literary magazine or yearbook between March 10 of last year and March 10 of this year.
- Send in a portfolio with five of the photographer's best photos as either jpegs on a disk or printed originals, along with a clip of each published photo with caption and the date and name of the publication in which the photo appeared.
- Include the entry fee, \$25 for IHSPA members and \$40 for non-members. (Contestants do not have to be members of IHSPA or live in the state of Iowa.)
- Professional photographers will judge the effectiveness of the student's photojournalistic coverage of an event or people in a school or community. The judges will look for strong story-telling, photo composition, quality and framing and provide entrants with written critiques of their work.
- Awards will be presented at the IHSPA Fall Conferences in October.
