

IAS Board Manual Part One

Item 1.0
2009

EXECUTIVE BOARD INFORMATION

Below is an open-ended and changing list of items of which board members should be aware:

1. Board members, editors and meeting hosts can be reimbursed for expenses related to Society business, such as phone calls, postage, etc. Contact the treasurer for details and reporting information.
2. Anyone is welcome to make suggestions for additions or deletions to the Briefing Manual. Send items to the Secretary who is responsible (with the President) for updating the Briefing manual annually.

This Briefing Manual is designed to help both new and current board members learn about the activities and responsibilities of the Executive Board of the Iowa Archeological society. The duties/job descriptions for the Society's officers are spelled out in the By-laws (Section 5.0). Robin Lillie, previous Membership Secretary, has provided a detailed description of what she does as Secretary (Item 3.2.1).
