

JOHN F. DOERSHUK

Office of the State Archaeologist, 700 Clinton St., University of Iowa, Iowa City, IA 52242; 319-384-0724

E-mail: john-doershuk@uiowa.edu

SPECIALIZATIONS/INTEREST AREAS

Midwestern and Plains USA prehistoric and historic archaeology, especially Archaic, Oneota, Proto-historic, and A.D. 1840s adaptations; teaching field schools; spatial analyses including graphical and quantitative approaches to site structure; hunter-gatherer settlement patterning; GIS applications in archaeology; cultural resource management archaeology.

EDUCATION

- 1989 Ph.D.—Anthropology Northwestern University, Department of Anthropology, Evanston, Illinois.
Ph.D. Dissertation: *Hunter-Gatherer Site Structure and Sedentism: The Koster Site Middle Archaic.*
- 1982 M.A.—Anthropology Northwestern University, Department of Anthropology, Evanston, Illinois.
M.A. Thesis: *Approaches to the Transition to Agricultural Lifeways: Environmental, Settlement, and Plant Use Trends in the Lower Illinois Valley.*
- 1980 B.A.—Anthropology Carleton College, Department of Sociology/Anthropology, Northfield, Minnesota.

PROFESSIONAL MEMBERSHIPS

Society for American Archaeology	Midwest Archaeological Conference	Iowa Academy of Science
Association of Iowa Archaeologists	Register of Professional Archaeologists	Iowa Archeological Society

PROFESSIONAL EXPERIENCE

The University of Iowa Office of the State Archaeologist (OSA)

Since 7/1/2007 *State Archaeologist of Iowa and Director, OSA*—responsible for office-wide leadership in the discovery, dissemination, and preservation of knowledge of Iowa's human past through Midwestern and Plains archaeological research and scientific discovery, public stewardship, service, and education.

2005–2007 *Contract Services Division Director (OSA)*—administrative lead for the OSA Highway Archaeology Program and General Contracts Program consulting activities.

1995–2007 *Program Director (OSA)*—principal archaeologist responsible for total program management for the General Contracts Program within the OSA; lead on marketing efforts for GCP with \$10.2 million in contracts and grants captured; responsible for archaeological research design, program quality control, project team assignments, contract negotiation, and review agency coordination.

1996–2008 *Adjunct Assistant Professor, Anthropology (113)/American Indian and Native Studies Program (149)*
113:012 Introduction to Prehistory: Spring 1996—28 students; Spring 1997—27 students; Fall 1997—25 students; Summer 1998—14 students; Fall 1998—18 students; Fall 1999—16 students; Fall 2002—22 students.
113:013 Human Origins: Fall 2003—19 students; Fall 2004—26 students.
113:020 Introduction to Midwestern Prehistory: Spring 2001—19 students; Spring 2006—17 students;
Spring 2008—scheduled.

113:110/149:110 Indians of North America: Spring 1998—27 students; Spring 1999—26 students; Spring 2000—28 students; Fall 2000—20 students; Spring 2002—20 students; Spring 2003—24 students; Spring 2004—25 students; Spring 2005—95 students (taught as joint offering—College of Liberal Arts and UI Saturday & Evening Program); Fall 2005—26 students; Summer 2006—12 students; Fall 2006—23 students; Spring 2007—109 students (joint offering—College of Liberal Arts and UI Saturday & Evening Program).

Directed/Independent Studies in Archaeological Lab Methods: Fall 1997—Mckenzie Morse (Grinnell College Intern), Shesh Mathur (1/4-time Graduate Research Assistant, Dept. of Anthropology, University of Iowa); Summer 1998—Malcolm Sturgis (Grinnell College Intern); Fall 1999—Molly Maliborski, Kari Sprengler, Jordan Houchins, Liz Handwerk (Dept. of Anthropology, University of Iowa); Spring 2000—Jenny Byrne (Dept. of Anthropology, University of Iowa); Fall 2000—Lisa Kelley (Dept. of Anthropology, University of Iowa); Spring 2001—Lisa Kelley, Clare Kernek, Molly Maliborski (Dept. of Anthropology, University of Iowa); Fall 2001—Lisa Kelley, Rebecca Halbmaier, Allyson Lane, Paul Macomber (Dept. of Anthropology, University of Iowa), and Melanie Dedecker (Cornell College); Spring 2002—Rebecca Halbmaier, Allyson Lane, Lisa Meiners, Amy Paine, Jordan Houchins (senior honors research) (Dept. of Anthropology, University of Iowa); Summer 2002—Brooke Ford (Cornell College); Fall 2002—Crystal Meyer, Brennan Dolan, Cheryl McMahill (Dept. of Anthropology, University of Iowa); Spring 2003—Brennan Dolan (Dept. of Anthropology, University of Iowa); Fall 2003—Brennan Dolan (Dept. of Anthropology, University of Iowa); Spring 2004—Brennan Dolan (graduate, Dept. of Anthropology, University of Iowa); Fall 2004—Dawn Wilson (Dept. of Anthropology, University of Iowa); Spring 2005—Dawn Wilson, Sarah Knight, John Hall (Dept. of Anthropology, University of Iowa). Summer 2005—John Hall (Dept. of Anthropology, University of Iowa); Fall 2005—John Hall (Dept. of Anthropology, University of Iowa); Spring 2006—Sara Reynolds (Cornell College); Spring 2007—Elizabeth Petrenko (Dept. of Anthropology, University of Iowa); Summer 2007—Kristopher Hoffmann (Dept. of Anthropology, University of Iowa).

149:199 SC1 Special Topics—Native Peoples of the Great Lakes: Fall 2001—10 students.

113:199/149:199 EX1: Archaeological Field Methods and American Indian Concerns Field School: Summer 1999: 6 weeks—13 students, Plymouth County, Iowa; Summer 2000: 6 weeks—13 students, Winneshiek County, Iowa; Summer 2001: 6 weeks—10 students, Winneshiek County, Iowa.

113:266 Practicum in CRM Archaeology: Spring 2000—Rebecca Johnson (post M.A. graduate student, Dept. of Anthropology, University of Iowa).

Cornell College

2006–2007	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 311: Introduction to Archaeological Field Methods (May Block—12 students).
2006–2007	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 105: Human Origins (January Block—22 students).
2005–2006	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 202: Indigenous Peoples and Cultures of North America (January Block—25 students).
2004–2005	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 359: Advanced Topic: Introduction to Archaeological Field Methods (May Block—12 students).
2004–2005	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 110: Archaeology (January Block—25 students).
2003–2004	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 105: Human Origins (January Block—25 students).
2002–2003	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 202: Indigenous Peoples and Cultures of North America (January Block—23 students).
2001–2002	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 359: Advanced Topic: Introduction to Archaeological Field Methods (May Block—12 students).
2001–2002	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 110: Archaeology (January Block—20 students).
2000–2001	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 105: Human Origins (January Block—18 students).
1999–2000	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 202: Indigenous Peoples and Cultures of North America (January Block—15 students).
1998–1999	<i>Lecturer (Sociology and Anthropology)</i> —Anthropology 110: Archaeology (January Block—22 students).

Iowa Lakeside Laboratory/Iowa State University

1996–2008 *Director, Archaeological Field School*—(Summer 1996: 3 weeks—8 students; Summer 1997: 4 weeks—11 students; Summer 2002: 4 weeks—6 students; Summer 2004: 4 weeks—10 students; Summer 2005: 4 weeks—3 students; **Summer 2008—scheduled**) at the Gillett Grove site (Oneota), 13CY2, Clay County, Iowa.

3D/Environmental, Cincinnati Ohio, Cultural Resources Program

1993–1995 *Program Manager/Senior Associate*—responsible for total program management with full-time staff of 10 and avg. part-time staff of 8, completion of 122 projects; leader of program marketing effort with 267 technical/cost proposals prepared and \$1.65 million in revenues captured; responsible for contract negotiation and accounts receivable.

1991–1993 *Principal Investigator/Senior Associate-Archaeology*—director or co-director for 40 projects with budgets ranging from \$1000 to \$150,000; assisted in writing of 25 technical/cost proposals; responsible for scope-of-work definitions, budget control, client and review agency coordination, and project schedules; supervised field investigations, lab analyses, and report preparation.

1990–1991 *Principal Investigator/Associate-Archaeology*—director or co-director for 25 projects with budgets ranging from \$1000 to \$65,000; responsible for executing project scopes-of-work; interfaced with clients and review agencies; maintained project schedules; supervised field investigations, lab analyses, and report preparation.

Loyola University of Chicago, Department of Sociology/Anthropology

1984–1990 *Lecturer in Anthropology* (average load: 5 courses/year)

University of Milwaukee-Wisconsin, Department of Anthropology

1990 *Instructor in Anthropology* (one course)

Northwestern University, Department of Anthropology

1988 *Instructor in Anthropology* (one course)

Elgin Community College, Department of Anthropology

1985 *Instructor in Anthropology* (two courses)

Northwestern University, Department of Anthropology

1983 *Teaching Assistant in Anthropology* (two courses)

College/University Courses Taught:

²Archaeology

⁵Archaeology of the Midwest

⁴New Directions in Archaeology

¹Introduction to Prehistory

¹Introduction to Midwestern Prehistory

¹Indians of North America

²Indigenous Peoples and Cultures of North America

¹Native Peoples of the Great Lakes

³Introduction to Cultural Anthropology

¹designates University of Iowa courses

²designates Cornell College courses

³designates Loyola University of Chicago courses

³Culture Through Language

⁴Culture Origins

^{1,2}Human Origins

³Humans and the Natural Environment

¹Archaeological Field Methods and American Indian Concerns

⁵Field Archaeology-Prehistoric

¹Lab Methods in Archaeology/Independent Study

¹Practicum in CRM Archaeology

⁴designates Northwestern University courses

⁵designates Elgin Community College courses

GRADUATE COMMITTEE SERVICE

- Completed 2003 Tiffany Adrian, M.S. Thesis, Department of Geoscience, University of Iowa: *Plant Remains from Broken Kettle (13PM1) and Broken Kettle West (13PM25), Northwest Iowa.*
- Completed 2006 Julie Plummer, M.A. Paper, Department of Anthropology, University of Iowa: *Soil Phosphate Analysis as an Archaeological Technique: Investigations at the Double Ditch Site (13OB8), O'Brien County, Iowa.*
- Completed 2007 Bryan Kendall, M.A. Paper, Department of Anthropology, University of Iowa: *Using the Iowa Site File to improve Predictive Models of prehistoric Site Location and Cultural Affiliation in Allamakee County, Iowa.*
- Completed 2007 Brennan Dolan, M.A. Thesis, Department of Anthropology, University of Lincoln, Nebraska: *Exploring Okoboji Oneota: Analysis and Regional Comparison of Faunal Data from the Gillett Grove Site (13CY2), Clay County, Iowa.*

INVITED LECTURES¹

- 2007 "An Overview of Iowa Lakeside Laboratory Archaeological Field School Investigations at the Gillett Grove Site (13CY2)" Annual fall meeting of the Iowa Archeological Society, Cherokee, Iowa.
- 2007 "Compliance and Education During Development." September monthly meeting of the Building and Office Managers Association (BOMA) of Iowa, Des Moines, Iowa.
- 2007 "Recent Research on Fire-cracked Rock Composition and Distribution at 13LN323, Palisades-Dows State Preserve, Linn County Iowa." Annual spring meeting of the Iowa Archeological Society, Iowa City, Iowa.
- 2005 "Iowa Lakeside Lab Archaeological Investigations at the Gillett Grove Site (13CY2)." Cedar Falls, UNI Museum, Black Hawk Chapter of the Iowa Archeological Society.
- 2005 "Effigy Mounds—NAGPRA and Ground-Penetrating Radar." Carleton College Senior Archaeology Capstone Seminar field trip lecture, Effigy Mounds National Monument, Iowa.
- 2004 "Lakeside Lab Field Schools and the Archaeology of the Gillett Grove Oneota Site, Clay County, Iowa." Milford, Iowa Kiwanis Club.
- 2004 "Teaching Archaeology and the Lakeside Laboratory Experience." Friends of Iowa Lakeside Laboratory 4th Annual Macbride Society Gathering.
- 2003 "Section 106 Compliance Procedures—Archaeology." 60th Fall School of Instruction and Policy Setting Conference, Iowa State Association of Counties.
- 2003 "Archaeology of the Gillett Grove Oneota Site, Clay County, Iowa." Central Chapter, Iowa Archeological Society, Des Moines.
- 2002 "Fort Atkinson Area Archaeology: Results of Recent University of Iowa Field School Investigations." Iowa Archaeology Month 2002, Fort Atkinson, Iowa
- 2001 "Excavations at The Bowen's Prairie Historic Archaeological District, Jones County, Iowa." Annual fall meeting of the Iowa Archeological Society, Prairie City, Iowa.
- 2000 "Summer 2000 Excavations at Two Fort Atkinson Area Sites." Annual fall meeting of the Iowa Archeological Society, Decorah, Iowa.
- 2000 "Kennewick Man and American Indian Ethnicity." Ethnic Studies Program, Cornell College, Iowa
- 1996 "The Maxwell Site: 13DA264." Annual spring meeting of the Iowa Archeological Society, Storm Lake, Iowa.

SPECIALIZED TRAINING

- 2007 UI Staff Development full-day training course: *Professional Writing.*
- 2007 UI Sexual Harrassment Policy Awareness Training for Supervisory Personnel.
- 2005 UI Staff Development full-day training course: *Secrets to Providing and Sustaining an Energized, Engaged, Effective Workplace.*

¹ Not including various K-12 school program presentations and guest lectures for UI departments of Geography, Anthropology, and Law courses.

- 2004 *OSHA Excavation Safety Workshop* by Dr. Jack Mickle: full-day refresher session sponsored by the Office of the State Archaeologist, University of Iowa (course also attended in 1998).
- 2000 *Management Series 2000*: nine half-day workshops sponsored by the University of Iowa's Staff Development Office on "Focusing on New Horizons of Managerial Success."
- 1999 *Soils Workshop* by Dr. Rolfe D. Mandel: full-day session sponsored by the Association of Iowa Archaeologists.
- 1999 *106: A Partnering Opportunity*: full-day briefing session by the Advisory Council on Historic Preservation.
- 1999 *CEC/IDOT/FHWA Transportation Conference*: full-day symposium on current Iowa primary roads issues.
- 1998 *Geoarchaeology Workshop: Part I—Landforms* by Drs. Rolfe D. Mandel and E. Arthur Bettis III: full-day session sponsored by the Association of Iowa Archaeologists.
- 1994 *Industry Outreach Training: Cultural Resources*: full-day workshop sponsored by the Federal Energy Regulatory Commission Office of Pipeline Regulation.
- 1993 *Total Quality Management: "Train the Trainers."* full-day session sponsored by 3D/International, Inc.

UNIVERSITY, PROFESSIONAL, AND COMMUNITY SERVICE

- 2007 External Reviewer, Carleton College (Northfield, Minnesota) Department of Sociology and Anthropology.
- 2006 External Reviewer: Proposed M.S. Program in Cultural Resource Management Archaeology, Department of Sociology and Anthropology, St. Cloud State University.
- 2006–2008 Executive Board member, Midwest Archaeological Conference, Inc.
- 2007–2008 President, Association of Iowa Archaeologists
- 2006–2007 President-elect, Association of Iowa Archaeologists
- 2006 University of Iowa Division of Sponsored Programs *Lean Process Event: Contracts* Panel Participant
- 2001–2005 Register of Professional Archaeologists Standards Board (Chair in 2004 and 2005)
- 2000–2006 Register of Professional Archaeologists Field School Certification Review Committee
- 2005–2006 Iowa City Eels Swim Club Concessions Co-Chair
- 2005–2007 Shimek Elementary Playground Maintenance Committee (co-chair 2006–2007)
- 2006 Assistant Coach, Iowa City Kickers 7th-12th Grade Girl's Team B – Spring
- 2003–2004 Shimek Elementary School PTO Co-Chair Kinnick Stadium Concessions Stand
- 2003–2004 Assistant Coach, Iowa City Kickers 5th-6th Grade Girl's Team – Spring and Fall
- 2002–2004 Assistant Coach Shimek Elementary Girl's 5th-6th Grade Basketball Team (Lone Tree and North Dodge leagues)
- 2001–2002 Co-Head Coach Shimek Elementary Girl's 3rd-4th Grade Basketball Team (Lone Tree League)
- 1999–2001 Register of Professional Archaeologists Membership Application Review Committee
- 1999–2000 Anthropology Section Chair, Iowa Academy of Sciences
- 1998–2000 Johnson County, Iowa, Sensitive Area and Clustered Subdivision Ordinances Citizen Advisory Committee
- 1998–1999 Anthropology Section Vice-Chair, Iowa Academy of Sciences
- 1997–1998 Society for American Archaeology Program Committee, 63rd Annual Meeting, Seattle
- 1996–1997 University of Iowa Staff Council Subcommittee on Temporary Appointments
- 1994–1995 Scoutmaster, Troop 26, Boy Scouts of America, Dan Beard Council, Cincinnati, Ohio
- 1992–1994 Packmaster, Pack 26, Boy Scouts of America, Dan Beard Council, Cincinnati, Ohio

OTHER FELLOWSHIPS AND GRANTS (not including \$10.66 million in CRM archaeology grants/contracts 1990-2007)

- 2004 Office of the Vice President for Research, University of Iowa Social Science Funding Program \$29,881.00 grant co-recipient (with Glenn R. Storey, Ph.D. and William E. Whittaker, Ph.D.) for, "Ground-Penetrating Radar Pilot Study at Effigy Mounds National Monument: Establishing The University of Iowa as a Leader in Archaeological Geophysical Survey Technology."
- 2000 "Mariko Mizuhara Award for Cross-Cultural Understanding" (\$200) by the University of Iowa Office of International Students and Scholars, with Larry J. Zimmerman, Ph.D. for 1999 field school curriculum design.

- 1989–1990 National Science Foundation research team member with M.E. Smith, Ph.D. (then Loyola University of Chicago) for database development and quantitative/chronological analyses of Postclassic Aztec ceramics from Morelos, Mexico.
- 1985–1987 Illinois Historic Preservation Agency \$30,000 grant co-recipient for a comprehensive summary of previous archaeological work in Will County, Illinois and documentation of reconnaissance and testing at site 11-Wi-241; co-principal investigator with James A. Brown, Ph.D. and Robert J. Jeske, Northwestern University, Department of Anthropology. ARPA permit No. DACA-27-4-87-1 (Louisville District, Corps of Engineers).
- 1984 National Park Service, Midwest Center, Lincoln, Nebraska grant co-recipient for Phase I archaeological survey of selected locations at the Indiana Dunes National Lakeshore; co-principal investigator with Mark Aldenderfer, Ph.D., Northwestern University.
- 1982–1983 Department Fellow, Department of Anthropology, Northwestern University: full tuition and stipend.
- 1981–1982 University Fellow, Department of Anthropology, Northwestern University: full tuition and stipend.
- 1979 National Science Foundation \$5,500 grant co-recipient for student-faculty collaborative research on ceramics from the Phokis-Doris region of Greece with Suzanne Guenther and Nancy Wilke, Ph.D., Carleton College.

PUBLICATIONS

- 2005* *Preface: The Cowan Site: A Great Oasis Community in Northwest Iowa* (edited by Stephen C. Lensink and Joseph A. Tiffany). Report 22, Office of the State Archaeologist, The University of Iowa.
- 2003*** Cultural Resource Management and the Business of Archaeology (with C.A. Bergman). In *Issues in Archaeological Ethics*, edited by Karen D. Vitelli, Larry J. Zimmerman, and Julie Hollowell-Zimmer. Altamira Press, pp. 85–97.
- 2003** Register of Professional Archaeologists Standards Board Decision Regarding the Complaint Against Dr. Gordon C. Tucker, Jr., RPA (with C. McGimsey and L. Eisenberg) <http://www.rpanet.org/>.
- 2002* Summer 2002 Excavations at 13CY2, the Gillett Grove Site. *Iowa Archeology News* 52(4):1–3.
- 2002*** The Reliability of Surface Assemblages: Recent Results from the Gillett Grove Site, Clay County, Iowa (with M.J. Shott, J.A. Tiffany, and J. Titcomb). *Plains Anthropologist* 47(181):165–182.
- 2001* The Potential of Field Schools in the Training of CRM Archaeology Technicians. *The Grapevine* 11/01:3–4.

PUBLICATIONS IN PREPARATION/IN PRESS

*Excavations at Palisades Dows State Preserve Archaeological Sites 13LN315, 316, and 323, Linn County, Iowa (with P.A. Garvin, J. Clark, and A. Sorensen). For submission to the *Journal of the Iowa Archeological Society*.

*The Northeast Iowa Neutral Ground: Identifying 1840s Native and Euro American Archaeological Components (with C.L. Peterson and R.L. Fishel). For submission to *Midcontinental Journal of Archaeology*.

*A Dated Minotts Cord Impressed Rim from 13LE539, Fort Madison, Iowa (with D.J. Stephenson). For submission to the *Journal of the Iowa Archeological Society*.

*Middle Archaic Hearth-based Deposition at the Koster Site, Greene County, Illinois: Horizons 8F and 10A. For submission to *American Antiquity*.

*primary author **equal contribution ***secondary

CONFERENCE PAPERS

- 2007** (with L.M. Alex) *Iowa Oneota Tradition Ceramic Variation*. Paper presented in the symposium, "An Oneota Forum in Five Sessions: Oneota Ceramics" at the 53rd Annual Midwest Archaeological Conference, South Bend, Indiana, October 6, 2007.
- 2006* (with P.A. Garvin and J. Clark) *Recent Research on Fire-cracked Rock Composition and Distribution at 13LN323, Palisades-Dows State Preserve, Linn County, Iowa*. Paper presented at the 52nd Annual Midwest Archaeological Conference, Urbana, Illinois, October 14, 2006.
- 2006** (with J. Clark and P.A. Garvin) *Fire-cracked Rock Composition and Distribution in Palisades-Dows State Preserve, Linn County, Iowa*. Paper presented at the 118th Annual Meeting of the Iowa Academy of Sciences, Anthropology Section, Buena Vista College, Storm Lake, Iowa, April 22, 2006.
- 2003* (with C.L. Peterson and R.L. Fishel) *The Northeast Iowa Neutral Ground: Identifying 1840s Native and Euro American Archaeological Components*. Paper presented in the symposium, "Hidden in Plain Sight: Early Nineteenth Century Native American Sites and Material Culture in the Midwest" at the 49th Annual Midwest Archaeological Conference, Milwaukee, Wisconsin, October 17, 2003.
- 2003** (with M. Anderson) *Lithics of the Archaic Roundtable Presentation: Iowa*. Presented at the 49th annual meeting of the Midwest Archaeological Conference, Milwaukee, Wisconsin.
- 2001** (with C.L. Peterson, A.C. Becker, and R.L. Fishel) *Investigating the Past while Interacting with the Present: Working with Descendant Communities in Iowa*. Paper presented at the 66th Annual Society for American Archaeology Conference, New Orleans. Part of the electronic symposium Working with Indigenous People and Other Descendant Communities, organized by Larry Zimmerman and Brian Molyneux.
- 2001** (with C.L. Peterson and L.J. Zimmerman) *Unraveling Tensions Between Communities: Archaeological Field Schools and American Indian Concerns*. Paper presented at the Annual Society for Historical Archaeology Conference on Historical and Underwater Archaeology, Long Beach, California. Part of the symposium Field Schools: Constructing Knowledge and Experience, organized by Harold Mytum.
- 2000** (with C.L. Peterson) *Investigations at a Fort Atkinson, Iowa, Area 1840s Trading Post and Winnebago Village*. Paper presented at the Joint Midwest Archaeological and Plains Anthropological Conference, St. Paul, Minnesota.
- 2000* (with L.J. Zimmerman, T. Kapler, R.L. Fishel, W. Green) *Digging for Understanding: Archaeological Field Methods and American Indian Concerns*. Paper presented at the 65th Annual Meeting of the Society for American Archaeology in the symposium Field Schools for the Next Millennium: Mixing Student Training, Research, and Public Education, organized by Phil Neusius and Beverly Chiarulli, Philadelphia, PA.
- 1999* *Mitigation Archaeology at the Cowan Site (13WD88)*. Paper presented at the 57th Annual Meeting of the Plains Anthropological Conference in the symposium Recent Investigations at the Great Oasis Cowan Site (13WD88), organized by John F. Doershuk, Sioux Falls, South Dakota.
- 1999* (with L.J. Zimmerman, T. Kapler, R.L. Fishel, W. Green) *Digging for Understanding: Archaeological Field Methods and American Indian Concerns*. Paper presented at the 57th Annual Meeting of the Plains Anthropological Conference, Sioux Falls, South Dakota.
- 1999* *Mitigation Archaeology at the Cowan Site (13WD88)*. Paper presented at the 111th Annual Meeting of the Iowa Academy of Sciences in the symposium Interdisciplinary Archaeology in Northwest Iowa: The Cowan Site (13WD88), organized by John F. Doershuk, Ames, Iowa.
- 1999** (with R.L. Lurie) *James A. Brown and the Koster Site: So That's What Happened in the Middle Archaic!* Paper presented at the 64th Annual Meeting of the Society for American Archaeology in the symposium Brownian Motion: Reflections on the Past, organized by Doug Charles and Robert Jeske, Chicago, Illinois.
- 1998** (with C.A. Bergman, D.A. Miller, K. Duerksen, and T.W. Tune) *The Early Woodland of the Northern Bluegrass: The West Runway Site, Boone County, Kentucky*. Paper presented at the 63rd Annual Meeting of

the Society for American Archaeology in the symposium The Early Woodland Before Adena: Recent Research in the Eastern Woodlands, Seattle, Washington.

- 1997** (with C.A. Bergman) *The Sandts Eddy Project: Exceptional Perhaps, but It Shouldn't be Relegated to an Exception*. Paper presented at the 62nd Annual Meeting of the Society for American Archaeology in the symposium The Contributions of Section 106 Archaeology: A View from Pennsylvania and Surrounding States, organized by Joe Baker, Nashville, Tennessee.
- 1997** (with W. Green) *Citizens and Government in Midcontinental Archaeology*. Paper presented at the 62nd Annual Meeting of the Society for American Archaeology in the Plenary Session Celebrating National Commitments to Archaeology, Nashville, Tennessee.
- 1996* *Excavations at the Maxwell Site (13DA264): a Great Oasis Structure in Dallas County, Iowa*. Paper presented at the 54th Plains Anthropological Conference in the symposium Great Oasis: Who, What, Where, When, and Why, organized by Mark Anderson, Iowa City, Iowa.
- 1996** (with M. Shott) *Recent Investigations at the Gillett Grove (13CY2) Oneota Site, Clay County, Iowa*. Paper presented at the 41st annual meeting of the Midwest Archaeological Conference, Beloit, Wisconsin.
- 1996* (with S. Lensink, W. Green, and D. Asch) *Great Oasis in Central Iowa: Two Sites and a Regional Synthesis*. Paper presented at the 41st annual meeting of the Midwest Archaeological Conference, Beloit, Wisconsin.
- 1995* (with K. Duerksen) *The Maple Creek Phase Revisited*. Paper presented at the annual meeting of the Ohio Archaeological Conference, Cleveland, Ohio.
- 1995*** (with C.A. Bergman and K. Duerksen) *Analysis of Lithic Technology: Old and New World Perspectives*. Paper presented at the annual meeting of the Society for American Archaeology, in the symposium Lithic Raw Material Analyses: Examples from the Old and New Worlds, Minneapolis, Minnesota.
- 1995* *Site Structure Investigations at the Sandts Eddy Site*. Paper presented at the annual meeting of the Middle Atlantic Archaeology Conference, in the symposium Sandts Eddy (36NM12)—A Deeply Stratified Historic and Prehistoric Site in the Middle Delaware, organized by Christopher A. Bergman and John F. Doershuk, Ocean City, Maryland.
- 1994* (with K. Duerksen) *Maple Creek Phase Revisited*. Paper presented at the (combined) annual meeting of the Southeast Archaeological Conference and Midwest Archaeological Conference, Lexington, Kentucky.
- 1994** (with K. Duerksen, C.A. Bergman, and T. Tune) *The Early Woodland in Northern Kentucky: Kramer Points and Fayette Thick Ceramics*. Paper presented at the (combined) annual meeting of the Southeast Archaeological Conference and Midwest Archaeological Conference, Lexington, Kentucky.
- 1994** (with C.A. Bergman) *The Early and Middle Archaic Occupations at Sandts Eddy (36NM12)*. Paper presented at the annual meeting of the Middle Atlantic Archaeology Conference, Ocean City, Maryland.
- 1994** (with C.A. Bergman) *OSHA Regulations and the Excavation of the Deeply Stratified Sandts Eddy Site (36NM12)*. Paper presented at the annual meeting of the Middle Atlantic Archaeology Conference, Ocean City, Maryland.
- 1994* (with K. Duerksen) *Kramer Points, Fayette Thick Ceramics, and the Early Woodland in Northern Kentucky*. Paper presented at the annual meeting of the Kentucky Heritage Council, Highland Heights, Kentucky.
- 1993*** (with C.A. Bergman, P.C. LaPorta, and L.R. Kimball) *Atlatl Dart Function: Insights from Material Sourcing, Replication, Use, and Microwear*. Paper presented at the annual Southeastern Archaeological Conference in the symposium Methodological and Substantive Contributions of Microwear Analysis, organized by Larry R. Kimball, Raleigh, North Carolina.
- 1993** (with C.A. Bergman and D.J. Rue) *The Padula Site (36NM15): a Multicomponent Locality in the Middle Delaware Valley*. Paper presented at the annual meeting of the Society for American Archaeology in the symposium Recent Research into the Prehistory of the Delaware Valley, organized by Christopher A. Bergman and John F. Doershuk, St. Louis, Missouri.

- 1993** (with S. Wall, K. Russell, G. Perkins, D. Miller, L.R. Kimball, M. Jacobs, K. Duerksen, R. Adams, C.A. Bergman) *Early Woodland Projectile Points and Site Function at 15BE391*. Paper presented at the annual meeting of the Kentucky Heritage Council, Lexington, Kentucky.
- 1991** (with C.A. Bergman) *The Role of Refitting in Lithic Analysis*. Paper presented at the Conference on Lithic Technology, sponsored by the University of Kentucky/Kentucky Heritage Council, Lexington, Kentucky.
- 1991* *Quantitative and Graphical Spatial Analysis of a Hearth-based Depositional Model for the Koster Site, Greene County, Illinois*. Paper presented at the annual meeting of the Society for American Archaeology, New Orleans, Louisiana.
- 1990** (with C.A. Bergman and D.J. Rue) *Riverton Culture Lithics: Technological and Spatial Analyses of the Atterbury Site (12B815), Bartholomew County, Indiana*. Paper presented at the annual Midwest Archaeological Conference, Evanston, Illinois.
- 1989* (with J.M. Stevenson) *Koster Site Middle Archaic Structure: Macro and Micro Perspectives*. Paper presented at the annual Midwest Archaeological Conference, Iowa City, Iowa.
- 1989** (with J.P. Hart) *Landscape Utilization: An Evolutionary Perspective*. Paper presented at the annual meeting of the Society for American Archaeology, Atlanta, Georgia.
- 1988* *Will County 2: the Data Continues... Known Sites, Topographic Zone Analysis, and Some Further Observations*. Paper presented at the annual Midwest Archaeological Conference, Urbana, Illinois.
- 1988* *Koster Site Structure: the Rise of Sedentism in the American Midwest*. Paper presented at the annual meeting of the Society for American Archaeology, Phoenix, Arizona.
- 1987* *Site Location Expectations: Known Sites and Topographic Zone Analysis*. Paper presented at the annual meeting of the American Anthropological Association in the symposium: Prehistoric Adaptations in the Greater Chicago Area: A Century of Archaeological Research, organized by Rochelle L. Lurie and Robert J. Jeske, Chicago, Illinois.
- 1987* *Archaeological Reconnaissance and Testing at the Joliet Army Ammunition Plant, Will County, Illinois*. Paper presented at the annual Midwest Archaeological Conference. Milwaukee, Wisconsin.
- 1986* *A Review and Analysis of the Will County, Illinois Archaeological Database*. Paper presented at the annual Midwest Archaeological Conference, Columbus, Ohio.
- 1985* *Washington Irving 1985: Subsistence and Settlement at an Upper Mississippian Langford Tradition Site*. Paper presented at the annual Midwest Archaeological Conference, East Lansing, Michigan.
- 1984* *Spatial Analysis of Lithic Data: the Investigation of Koster Site Structure*. Paper presented at the annual Midwest Archaeological Conference, Evanston, Illinois.

FIELD AND ANALYTICAL EXPERIENCE

1995–2007: Principal Archaeologist/Project Director—various survey, testing, and data recovery projects in Iowa, Illinois, and Missouri for the General Contracts Program—Office of the State Archaeologist at The University of Iowa. Project/client list available upon request. **Director**, summer archaeological field school at the Oneota Gillett Grove site, 13CY2: 3 weeks—1996, 4 weeks—1997, 4 weeks—2002, 4 weeks—2004; 4 weeks—2005: students from U. Iowa, Iowa State U., U. of Northern Iowa, Drake U., Wartburg College, Grinnell College, Cornell College, U. of Illinois-Champaign-Urbana, and Iowa Great Lakes Community College. **Co-Director**, summer archaeological and American Indian concerns field school: 1999—6 weeks—at Broken Kettle West, 13PM25 (Great Oasis) and Broken Kettle, 13PM1 (Mill Creek): students from U. Iowa, Colorado U., Kansas State U., Luther College, Radford U., U. of Montana, and Teikyo Westmar U.; 2000—6 weeks—at the 1840s Olmsted trading post—13WH160 and 1840-50s Winnebago camp/early homestead—13WH173: students from U. Iowa, Kansas State U., Michigan State U., Ohio State U., U. of Wisconsin-La Crosse, Grinnell College, Cornell College, and Harvard U.; 2001—6 weeks—at two 1840-50s Winnebago camps/early homesteads—13WH174 and 13WH158: students from U. Iowa, U. Minnesota, and U. Wisconsin-Madison, Grinnell

College, and Louisiana State U. **Director**, 2002 and 2005, 3-week archaeological field schools at Woodland sites 13LN315 (2002), 316 (2002), and 323 (2002 and 2005), Palisades Dows State Preserve for Cornell College (12 students each year). **Co-Director** (with M.L. Anderson), 2007, 3-week archaeological field school at 13LNxxx for Cornell College (11 students).

1990–1995: Principal Investigator/Spatial Analyst—for various survey, testing, and data recovery projects for the Cultural Resources Program, 3D/Environmental, Cincinnati, Ohio in Illinois, Indiana, Ohio, New York, Connecticut, Delaware, Virginia, North Carolina, Pennsylvania, New Jersey, West Virginia, Michigan, Kentucky, Tennessee, Texas, Florida, and Louisiana.

Autumn 1989–Spring 1990 (36 weeks lab): National Science Foundation supported computer database and statistical analyses of Late Postclassic Morelos, Mexico household and potsherd data for Michael E. Smith, Ph.D., Principal Investigator, then of Loyola University of Chicago.

Summer 1989 (8 weeks field): Survey and mapping consultant, Cedar Shores Phase II Archaeological Project (Lake County, Illinois) for Midwest Archaeological Services, Inc., Rochelle L. Lurie, Ph.D., Principal Investigator, Harvard, Illinois.

Summer 1987 (4 weeks field): Crew member, excavations at Combe Sauniere I, Dordogne France, Solutrean and Mousterian levels with Jean-Michel Geneste, Ph.D. of the Ministere de la Culture, Direction des Antiquites, Prehistoriques d'Aquitaine, Bordeaux, France.

Autumn 1986–Spring 1987 (4 weeks field/8 weeks lab): Co-Principal Investigator, Phase I/II survey and testing of the Joliet Army Ammunition Plant including 11-Wi-241 for the U.S. Army Corps of Engineers, Louisville District and the Illinois Historic Preservation Agency.

Summer 1986–Autumn 1987 (6 weeks field): Consultant, various Phase I and II CRM projects in Northeast Illinois for Midwest Archaeological Resource Services, Inc., Evanston, Illinois.

Summer 1985 (14 weeks field): Director, summer field school program at the Washington Irving site, 11K52, (Langford Tradition Upper Mississippian): students from The University of Illinois-Chicago, Elgin Community College, Harper College, and Judson College.

Spring 1984 (4 weeks field/6 weeks lab): Field Supervisor/Co-Principal Investigator (with M. Aldenderfer, Ph.D.), Indiana Dunes National Lakeshore Phase I survey project. Responsible for fieldwork and final technical report. Work contracted through Northwestern University by the National Park Service, Midwest Center, Lincoln, Nebraska.

Summer 1982 (8 weeks field): Crew member, various survey and testing projects, Center for American Archeology Contract Program, Kampsville, Illinois, Hal Hassen, Ph.D., Principal Investigator.

Autumn 1979 (8 weeks lab): Member of National Science Foundation supported research team led by Nancy Wilke, Ph.D., Carleton College, at the Delphi Museum, Delphi, Greece. Responsible for the description and statistical analysis of 10,000 sherd ceramic sample from the Phokis-Doris region.

Summer 1978 (6 weeks field): Crew member, Kelley's Island, Ohio. Phase I/II survey and testing project. Principal Investigator, Christine Taylor, M.A., University of Cincinnati.

Summer 1977 (8 weeks field): Crew Member, Harness Mound salvage excavation, Ross County, Ohio. Project directed by N'omi Greber, Ph.D., Case Western Reserve University.

Summer 1976 (4 weeks field): Field school student, Harness Mound salvage excavation. Field School directed by David Brose, Ph.D., Cleveland Museum of Natural History.
