**Office of the State Archaeologist
Fees for Services
July 1, 2007–June 30, 2008**

Burials Program Services

Reimbursement for burial-related field investigations is for mileage and per diem (based on state rates). Extended field investigations and human osteological services are offered at a rate of \$55 per hour. A waiver of fees may be requested.

Curation Services

Artifact collections

\$30 per accession

\$350 per cubic foot; minimum charge .01 cubic feet, .01 cubic foot increments

\$35 per hour collection preparation charge. Applicable if artifacts are not prepared according to Curation Services Guidelines.

Document collections

\$30 per accession

\$150 per linear inch; minimum charge .1 inch, .1 inch increments. The project report is excluded from the linear inch charge.

\$35 per hour documents preparation charge. Applicable if documents are not prepared according to Curation Services Guidelines.

Flotation Processing

\$10 per sample. 10-liter maximum sample size.

\$25 per hour processing charge. Call for details on processing options; additional charges for specialized packaging materials may apply; pick-up and delivery of samples is extra.

Educational Services

Resource boxes

\$20 per box if picked up and returned to the OSA

\$30 per box if shipped; borrower pays return postage

Five different traveling resource boxes containing educational materials are available for a one-month loan to schools and other organizations. Fees for shorter-term loans may be negotiated.

Public speakers

\$25.00 per hour (one hour minimum) plus mileage (if over 50 miles round trip) and per diem (if over night).

The OSA offers presentations to schools and other organizations. A waiver of fees may be requested.

County Conservation Board archaeology support packages

\$500 per year (mileage and per diem may be extra if travel to county is requested)

Packages include assistance with developing educational activities and materials, identifying prehistoric and historic artifacts, recording archaeological sites, and preservation planning for cultural resources. Also included is a yearly license for I-Sites Pro at the county level after the successful completion of a certification course.
