TOTAL SERVICES	306,343	317,990

<sup>1</sup>These 3 categories are also listed in Non-Criminal Incidents, showing additional incidents for which a report was written.

<sup>2</sup>Blue Cap phones are also listed in Miscellaneous Statistics, indicating a report was written under a different classification.

Those figures are included in these Services. Also, due to the flood in 6/08, many Blue Cap phones were rendered inoperable for several months, thus reflecting in the lower number for 2008.

<sup>3</sup>This includes # of doors checked/locked/unlocked by our Guard Division. This number is an average based on a 6 month survey.

<sup>4</sup>Key Check Out/In was discontinued in 6/2007

<sup>5</sup>Nite Ride is a new service starting 10/07. Number reflects # of passengers who used the service. In 4/08 we started providing this service nightly, as opposed to weekend only.

<sup>6</sup>The Prohibited Smoking law went into effect 7/1/08.
