Award Recommendations for RFQ #13471: Based on the specifications and analysis of responses to the RFQ, it has been determined that use of limited multiple Suppliers will be in the University's best interest. Through analysis of hourly rates for the various categories in conjunction with the cost plus percentage for materials, the Suppliers are identified and marked with #1 through #6, indicating the range of overall best pricing value. It shall be the responsibility of the Awarded Suppliers to assist UI Department personnel with written cost estimates for each project identified for review and final approval prior to any work beginning for each project. This contact is designed for small dollar projects, the threshold of which is up to and no greater than \$25,000. We strongly encourage Departments accessing this contract to generated individual P-reqs to establish unique purchase orders for each project. Contract blanket orders with a selected Supplier may be used. Please note - the hourly rates quoted, cost-plus percentage for materials by each Supplier must be included in the description area of the P-req along with the old PO being replaced.

Contract Term: July 1, 2008 to June 30, 2010/7/1/08 to 6/30/2010

All hourly rate prices quoted shall remain firm through and including June 30, 2010
