1997-1999	National Rehabilitation Counseling Association
1996-1997	Alpha Kappa Mu Honor Society
1996-2008	Psi Chi Honor Society

RESEARCH AGENDA

I am interested in examining the aspects of stigma and stigmatizing conditions, with particular emphasis on the mental health outcomes that are experienced by individuals who bear the mark of stigma. I also focus on how social structure and other cultural processes lead to the stigmatization of certain social groups, how non-stigmatized individuals justify blaming the members of those social groups for their circumstances, and what the mental health implications are for those stigmatized persons.

CHRONOLOGY OF COURSES AT UNIVERSITY OF IOWA

FALL 2003

- "Introduction to Sociological Data Analysis" (Professor Charles Mueller)
- "The History of Sociological Theory" (Professor John Drysdale and Professor Susan Hoecker-Drysdale)
