Quad Cities MSW Program

Greetings QC Alumni and Friends!

We are moving forward with our plans to host an alumni reunion and celebration on **Saturday, September 26th** in the Wilson Center on the Augustana campus. You are among the group of more than 400 Quad Cities graduates who are invited and we hope that you will be able to attend.

As part of the program for the evening we would like to have a slide show of photographs that were taken over the 40+ years that the MSW program has existed in the Quad Cities. If you have any photos that you could share, please mail or email them to Jefri-Palermo@uiowa.edu. If you put your name on the back of the photos, we will return them to you. We are also interested in hearing stories about your experiences as an MSW student and any words of advice you have for the current group of students who are due to graduate in May 2010. You can email those as well.

Even if you cannot attend the party, please send stories and photos anyway and a note about what you are currently doing in your life. We want to be in touch with you! If you would prefer to do this on our website, go to www.uiowa.edu/~socialwk and click on 'Alumni/We Want to Hear From You' and tell us what you think.

We have included the list of Quad Cities graduates and would appreciate you letting us know if you notice any errors in names or year of graduation or if someone is missing from the list. (We did not include graduates who are deceased.)

We will be sending out invitations and RSVP cards for the party in early August and you will also be able to RSVP on our website at that time.

Contact information for the Planning Committee is below. See you at the party!
