Smokers Focus Group #2

**Tuesday, January 23 - 12:00 p.m. (lunch provided)
Hardin Library - Conference Room 207-C**

Plan to attend and voice your comments, concerns and questions about
the 100% smoke-free campus policy that the Health Sciences campus
will adopt on April 2, 2007.

The groups will be facilitated by an organization outside of the university,
CAFE Johnson County, to ensure the opportunity to speak frankly and openly.
A focus group report will be provided to the Health Science Smoke-Free Campus Task
Force, but all comments will remain anonymous.

RSVPs are required to coordinate lunch.
To register, send an email to contactus@cleanairforeveryone.org
and indicate the date/group you'd like to attend.
Questions can be directed to Beth at (319) 338-2366
