

FINAL
Staff Council Executive Committee
Meeting with President Mason
August 26, 2008
100 Jessup Hall

Present: Martha Greer, George Hospodarsky, Sarah Tallman, Mary Lee Neuberger, Lori Bassler, Diane Hauser, Mark Fullenkamp, Glenn Kell, Sue Buckley, Marsha Adolph, President Mason

Absent: Kathy Klein

The meeting was opened at 8:00 a.m. with comments from President Mason. She discussed the back to school party, the ribbon cutting for the reopening of Adler, Mayflower, and EPB and continued efforts on the arts campus. She also commented on flood recovery, the need for continued communication about the recovery through weekly press conferences and risk management for the future. She announced that the power plant should be back in operation by the second week of November.

Sue Buckley commented that Risk Management may want to make a presentation at a future Staff Council Meeting. President Mason commented that a tour of the power plant before it goes back up may be possible.

Martha Greer brought up the need for web support for the Charter Committees.

Martha Greer also discussed the sexual harassment training plans.

There was a discussion of the research staff and their meeting with VP Cohen, AVP Buckley, and VP True regarding furlough notices and bridge funding.

Sue Buckley commented that there will be a mass e-mail going out regarding the Comp & Class Restructuring. Sue also reiterated that Karen Shemanski will speak at every SC meeting to give an update on the project. Karen will also present at several brown bag luncheons.

Sue Buckley also commented that the Working at Iowa survey will be redone this fall. We are hoping for a higher participation rate than last time.

The meeting adjourned at 9:00 a.m.
