

## Travel Support Requests

As you know, the Department's VIGRE grant includes funds to help support your travel to mathematics meetings and similar activities. Please use this form to apply for travel support and submit it to Prof Simon and Kristin Gilchrist by email.

We will consider each request on a case-by-case basis. Funds are limited, so we may only be able to provide partial support, and we may have to prioritize requests. Participation in meetings can be very helpful to your research development and career, so we want to use this resource; we encourage you to be professionally active and to apply for support.

Your name

Purpose of travel

Relevance to your own research program

Date(s) of trip

Location of conference, etc.

Will you drive or fly

Estimate of Itemized Costs (transportation, hotel, meals, etc.)

Other possible sources of support for this trip? \_\_\_\_\_

Have you applied? \_\_\_\_\_

What other support have you been able to obtain? \_\_\_\_\_

Deadlines? \_\_\_\_\_
